Experience Line

Gecko **beat**box

Smarter sound

Your music, right where you relax.

Fully integrated to spa

Music, right at your fingertips.

Manage your music directly from Gecko touchpad & seat control: volume,tracks, and more, without leaving the spa.

Modern media experience

Visual. Familiar. Engaging.

Album artwork displayed directly on the touchpad delivers the modern music experience users expect from today's technology.

Immersive premium sound

Powerful. Rich. Dynamic.

Supports up to 4 speakers and 1 subwoofer, bringing a rich, app-like music experience to your spa.

Experience Line

Gecko **beat**box

Pure sound, no compromise

Feel every note, clear and powerful, in a rich, immersive sound experience that elevates every moment.

Streamlined listening

Stream your favorite music wirelessly from a bluetooth device and enjoy effortless control from the spa.

Built to last

Refined through years in the field, delivering dependable performance, lasting durability & confidence with every use.
